MTSU Commercial Music Ensemble

The Commercial Music Ensemble provides students with the experience of choosing songs, working with arrangements, rehearsing with the band, and bringing it all together as a cohesive performance. The ensemble draws its material from any style of music that has achieved popularity in the music industry as well as students' original songs. The group contains a small section of vocalists who perform lead and background vocals, and a rhythm section with drum set, electric bass, acoustic and electric guitar, and keyboard. Horn players are often recruited for the performances as well. The ensemble performs at the School of Music and other campus venues and has produced recordings in collaboration with the Recording Industry Department. This ensemble is formed by auditions at the beginning of each semester. For more information, please contact Matt Lund at matthew.lund@mtsu.edu.
