MTSU Jazz Donors

Hello Jazz Supporter,

Every note our students play, every concert that fills our halls, and every opportunity to learn from world-class jazz artists is made possible because of generous donors like you.

Your support has brought Grammy Award–winning legends such as Slide Hampton and Phil Woods to our stage, giving MTSU students the chance to learn, perform, and dream bigger than ever before. The joy our community experiences through these performances starts with your generosity.

This year, your gift will:

- Strengthen the MTSU Jazz Artist Series and expand opportunities for student performances
- Provide students with life-changing workshops and masterclasses with top clinicians
- Enrich our community with unforgettable concerts while recognizing you for your support

When you give, you are not just supporting concerts—you are investing in the future of jazz and the next generation of musicians.

Give today and keep jazz alive at MTSU.
